BELLEVUE GLOOMY ON EVE OF BATTLE

Gustafson, Mainstay of Indians' Eleven, Won't Line Up Against Doane.

PESSIMISM HITS ROOTERS

"Big Gus" has blood poisoning and can't play against Doane."

This was the announcement that dropped like a bombshell in the Bellevue college training camp yesterday and brought consternation to the hearts of the purple and gold rooters.

Big Gus, alias Waldemar Gustafson, "The Terrible Swede," for the last four years has been one man upon whom the coaches could rely. Two minutes playing time in over three seasons is all Gus has lost, and that was in his first year. The one hundred-eighty-five pound guard has been a tower of defense and has opened holes on the offense like a battering ram. His absence will weaken greatly the Indian line tomorrow afternoon when Bellevue meets Doane at Crete.

Coach Admits Defeat.

With Gus out of the game Coach Benjamin plans a wholesale eleven hour shift of the forward line. Kinnier, the veteran center, will be moved to tackle, Picotte going from half to center. Johns will go to left guard, Allen and Daugherty remaining on the right side of the line. With a line which has never played together before and with Williams out of the game still and a substitute taking his place at right end, Coach Benjamin admits that Bellevue will be lucky to hold Doane to two touchdowns.

To make matters worse, spirit in the student body has sunk to a low ebb. The project of the rooters going to Doane in a body, which was hailed with so much enthusiasm last week, now seems to be on the point of being dropped for lack of the thirty people necessary to get a special car on the Burlington.

All told, Bellevue's chances of beating Doane this year, which looked so bright two weeks ago, have sunk to the vanishing point.

Western League Pays \$400 Claim Of Jimmy Kane

Lincoln, Neb., Nov. 22.—In compliance with a ruling of the National Base Ball commission, President Zehrung of the Western league today drew a \$400 check in favor of James Kane, released first baseman of the Sioux City club. This disposes of a claim which had been against the league rather than against the controversy brought by Kane's release last spring. The National the Sioux City club.

Barelegged Dancer is The Y. M. C. A. "She"

A real Oriental dancer is promised for the Bellevue college Young Men's Christian association minstrel and vaudeville show to be staged next Monday evening in the college gymnasium. And she is to dance in bare legs, too, although her face will be veiled. The college Young Men's Christian association, which is putting on the show, has so far failed to explain its apparent approval of the dance. They aver that the dancer is a real one.

A full two-hour performance in two parts, consisting of a minstrel show and a vaudeville olio, is what the promoters promise. Regular college songs, like "Boola! Boolah!" "I've been working on the Railroad" will be interspersed with clever parodies on popular Hawaiian tunes. A one-act play, "One Touch of Art," under the direction of Dean Fales, who will also play the leading role, will be a feature of the olio.

Today's Calendar of Sports

Branch Shows—Southern California Kennel club at Los Angeles. Louisville Kennel association at Louisville.
Soccer—Princeton vs. Harvard, at Princeton.
Whist—Annual tournament of Ohio Whist association opens at Cleveland.
Boxing—Ted Lewis vs. Johnny Griffiths, ten rounds, at Cleveland. Charlie White vs. Johnny Lester, 15 rounds, at Providence. Al Shubert vs. Billy Fitzsimmons, twelve rounds, at New Haven. Battling Redding vs. Young Britt, 15 rounds, at Lawrence, Mass.
Football—Clemson vs. Presbyterian college, at Clemson. S. C. Georgtown college vs. Transylvania at Lexington, Ky. Southwestern college vs. Bethany, at Winfield, Kan. Texas A&M vs. Dallas university, at College Station, Tex. Erskine college vs. Jewberry college, at Due West, N. C.
Indians Sleep.
Take Dr. Bell's Pine-Tar-Honey for that hacking night cough! It stops the cough and you sleep. 25c. All druggists.—Adv.

Beat Omaha, New Slogan of the Sioux City High Team

Sioux City, Ia., Nov. 22.—(Special.)—"Beat Omaha" is the new slogan of the Sioux City High school. Coach Stewart is putting his men through some strenuous practice work in anticipation of the game here next Saturday with the down river squad. He looks for some heavy opposition from the Central High squad.

In order to make a creditable showing the coach's athletes will have to inject more "pep" into their play than has been shown during the first part of the week. Several of the players failed to show up on the practice field, thus handicapping the work of the willing ones.

The Sioux City High outweighs the Omaha men, but the Omahans' speed and craftiness may overcome this handicap. The weight of the two teams follows:

Central.	Position.	Sioux City.
Pearson, 150	L.E.	Fletcher, 170
Paynter, 143	L.T.	Jones, 158
Iverson, 140	L.G.	Tarashinsky, 175
Krogh, 158	S.	Koonis, 178
Haller, 170	R.G.	Winters, 172
Phillips, 145	R.T.	Armour, 174
Harper, 157	R.E.	Menefee, 175
Maxwell, 143	Q.B.	Montgomery, 142
Moriarty, 143	L.B.	Harris, 158
Peterson, 150	R.B.	Brown, 172
Smith, 148	F.B.	Gates, 173

Former Nebraska Girl Elected Clerk Of Court in Kansas

Stella, Neb., Nov. 22.—(Special.)—Miss Helen Stowell, daughter of a former Nebraska editor, was elected clerk of the district court in Finney county, Kansas, at the recent election. She received 2,100 of the 3,000 votes polled. Two other women were elected on the same ticket, the register of deeds and the county superintendent. Miss Stowell's father was editor of the Verdon Vedette for many years, and later of the Auburn Post. She is a graduate of the Auburn High school.

Tabor Outgrows Its School Facilities

Tabor, Ia., Nov. 22.—(Special.)—A mass meeting of Tabor citizens was held in the opera house Monday evening to consider what is to be done to relieve the present overcrowded condition of our public schools.

Miss Jones, county superintendent of schools, was present and various plans were discussed. Many of those present considered building an additional room or an entire new building or dismissing the present tuition pupils.

A committee of two, Superintendent Evans of the Tabor schools, and President Wahnehen of the college, were chosen to confer with the proper authorities as to the feasibility of securing the temporary use of one of the college buildings for the public school. A committee of five was also appointed to consider the advisability of establishing a consolidated public school for Tabor. The members of this committee are Messrs. W. H. Wyant, C. L. Hall, B. B. Millen, R. S. McClelland and Ira McCormick.

Found in a Looted House, Two Held

H. A. Delaney and Arthur Delaney, both of Florence, are being held at police headquarters for investigation because they were found in the cellar of a vacant house at 5102 North Fortieth, where the plumbing had been cut out.

The house is owned by John Daley, who is now in Scottsbluff, Neb. The Delaneys said Mrs. Daley is their sister, but they did not explain why they broke off several padlocks in order to get into the house.

Plumbing thieves broke into the vacant house at 2912 Seward, belonging to Mrs. George Magney, wife of the county attorney and stripped it of most of the piping and fixtures, says a complaint at police headquarters.

Wayne Prepares for the Final Game of the Season

Wayne, Neb., Nov. 22.—(Special.)—With only two more games left on their schedule the Wayne Normal foot ball team is bending all its energies toward preparing for the annual struggle with Buena Vista college of Storm Lake, Ia. The Iowa collegians are due to arrive Friday morning for the game the same afternoon. The last game of the season comes on Thanksgiving day when Western Union college of Le Mars journeys to Wayne to exact revenge for the 27-to-7 defeat received at Le Mars earlier in the season.
Prof. Kline of Norfolk High school, a former Wesleyan star, will referee both games.

STEWART MAKES ANOTHER SHIFT

Will Play Cook and Caley at Halfbacks and Dobson and Selzer at Fullbacks.

MOSER OUT WITH INJURIES

Lincoln, Nov. 22.—(Special.)—Another shift in the backfield is being considered by Coach Stewart, to add speed to the Husker backfield in the game against Iowa university next Saturday afternoon at Iowa City.

Stewart has determined to use both Cook and Caley as halfbacks, as they have shown the greatest ability at ground gaining during the season and are the fastest men on the squad. Dobson, who has done splendid work, is slated for one fullback, and Selzer, who has played on the scrubs most of the season, will be the other fullback.

"Turp" Frank, a halfback star of the early Stiehm regime, lingered in Lincoln this week to aid in whipping the "varsity" into shape for Iowa and incidentally furnished the sensation of the practice Tuesday night. Frank donned foot ball togs and contributed some of the most thrilling runs seen on Nebraska field this season. He tore through the "varsity" with the Iowa formations for long gains, but the regulars finally solved the plays and stopped him. Vic Halligan, another Husker star, who has been helping with the coaching all season, was another in the scrubs' lineup last night and he helped Frank to tear things up for a while.

Moser Will Be Out.

Caley, Riddel and Moser were all excused from scrimmage last night as the result of injuries in the Kansas game, but Dr. Stewart said that with the possible exception of Moser, all would be in splendid condition for the Hawkeye battle.

The students' special to Iowa City was assured today when Athletic Manager Guy E. Reed secured over 100 reservations from the university band, the students and Lincoln business men. Reed felt that vocal support for the Huskers was very essential in the Iowa game and made a determined effort to secure enough for a special train. His efforts were warmly received.

Prepare For Turkey Day.

The biggest crowd that ever saw a foot ball game in Nebraska will be on hand for the Notre Dame battle, it was assured today. Apparently the Kansas defeat has not cut in on the attendance for the turkey day game one whit. Practically all of the choice reservations have gone, with a special block of 500 seats to Omaha and another reservation of 100 for Central city. Central City rooters sent Reed the money today and will come on a special train.

Having lost the Missouri Valley championship, the Huskers figure a victory over Iowa and Notre Dame would atone sufficiently for all other disappointments. With strong faith in the defensive power of the team, the Husker fans are waiting to see if Dr. Stewart can develop a punch in his backfield.

The Nebraska squad, accompanied by Dr. Stewart, Assistant Coach Rutherford, Manager Reed and the faculty representative, will leave here Thursday afternoon at 4:05 over the Rock Island. The Huskers will put up in Des Moines Friday, where they will have a short workout, and will then go to Iowa City. The rooters' special will leave here Friday night at 11:15 over the Rock Island.

Burgess-Nash Team Looking for Games

Are there any 85 or 90-pound foot ball eleven in Omaha? If there are they can start hostilities right away. The Burgess-Nash team is looking for an opponent. Tommy Wilson is conducting the team's business and can be found at Harney 4153. The Burgess-Nash team consists of Charles Drummy, right end; Joseph Decker, right tackle; Robert Walsh, right guard; Arthur Mullen, center; Jack Porter, left guard; Charles Allen, left tackle; Charles Garvey, left end; Louis Nash, Jr., quarter and captain; James Grace, left half; Tommy Wilson, fullback; Jim Allen, right half.

Creighton Tangles With Yankton Today

Creighton university will clash with Yankton college of South Dakota at Creighton field this afternoon. In order to save his first string warriors for the annual conflict with South Dakota on Thanksgiving day, Tommy Mills will send an eleven composed entirely of freshmen against Yankton. In case the freshmen, however, fail to hold their own

with the northerners, Mills will send the varsity into the fray.

The game is being played today instead of Saturday so as to provide a longer rest before the big game Thanksgiving.

Gibbons Boys May Show Wares Here

Eddie Kane, representative of Mike Gibbons, stopped over in Omaha yesterday. Kane is paying the way for a trip by Mike and his brother, Tommy, to the Pacific coast.

The Gibbons boys will go through Omaha December 9, and arrangements may be made for them to give an exhibition here.

Kane declares that the reports from St. Paul that Gibbons demanded the cash amount of his guarantee before he would enter the ring with Jack Dillon, are somewhat off-color. He explains that Harry Sherman orally agreed to terms of a \$10,000 guarantee with an option of 35 per cent of the gross receipts for Gibbons' share in a match with Dillon. Later Gibbons, Kane says, asked Sherman to put a contract in writing and this caused circulation of the report.

"As a matter of fact," Kane said, "Gibbons got paid with a check and didn't get it until Saturday, the day of the bout, and didn't put it into the bank until the following Monday."

Auto Wrecked by Freight Car.

Fremont, Neb., Nov. 22.—(Special.)—A brand new five-passenger automobile, the property of Simon Shanahan of Saunders county, was almost completely demolished when it was struck by a boxcar in a string being pushed back by a Union Pacific engine at North Bend. Mr. Shanahan was in the car when the motor went "dead." He endeavored to start it, but seeing that an accident was unavoidable jumped to save being struck.

GO IN AND DIG IS COACH'S PRAYER

Hawkeyes' Overconfidence that They Will Trounce Huskers Peeves Iowa's Mentor.

MENDENHALL IS BACK

Iowa City, Ia., Nov. 22.—(Special.)—Over confidence in the outcome of the game with Nebraska is now the chief fear of the Hawkeye coaching staff for the Iowa varsity. The listless showing which the regulars made yesterday afternoon in their first scrimmage of the week was such as to call forth from Coach Jones a severe "bawling out" on the attitude which the men seem to have taken. In the end Jones dismissed his squad from the field with a prayer that they would be back today more inclined to go in and dig.

The coach called the attention of the men to the fact that the dope had already been upset too many times this year, and pointed out that defeat of Nebraska at the hands of Kansas and the Iowa victory over Ames did not mean that a Hawkeye win over the Cornhuskers would naturally follow. He urged them to fight throughout the game from first to last in a manner which would show the best possible ultimate result of ten long weeks of practice.

"Pep" is Lacking.

Having failed to display proper spirit and punch in scrimmage work against the scrubs, Jones turned his men to signal work, and the teams put in a long drill on the lighted portion of the field at the south end. The afternoon saw several changes in lineup, mostly in the nature of substitutions, however.

The most important innovation was

the appearance of Bannick at left halfback. Bannick played varsity quarter the first of the season and has been substituting for Jenkins recently, but Jones now believes that he may make a good halfback and his showing yesterday afternoon was such as to indicate that he might get a workout in the position when the battle with the Cornhuskers comes due.

Hawkeye supporters were jubilant over the fact that Mendenhall, after being incapacitated for more than three weeks, got into scrimmage tonight for the first time. Davis was out for the first time this week, but Scott, who has developed blood poisoning on the leg, is still in poor shape. In the line Triplett and McKee alternated at tackle and Fossick remained in for Hunzelman. Von Lackum was in for a time in place of Captain Lane at right end, and in the backfield Jones used Van Pelt and Nugent in addition to the other men.

Incorporation Articles For New Omaha Company

(From a Staff Correspondent.)
Lincoln, Nov. 22.—(Special.)—"Moggy" Bernstein, former probation officer of Omaha, called at the office of the secretary of state today and filed incorporation articles of the Toiletter company, a corporation organized for the manufacture of a cleaning compound, with headquarters in Omaha.

The company has a capital of \$50,000, C. F. Benner being president, Mr. Bernstein, vice president, treasurer and general manager, and Mrs. Blanche Bernstein, secretary.

Stanley Hall of Bladen Named Bank Examiner

(From a Staff Correspondent.)
Lincoln, Nov. 22.—(Special.)—Governor Morehead this morning appointed Stanley Hall of Bladen a bank examiner to fill the vacancy caused by the resignation of E. N. Vanhorn, who bought a bank at DeWitt some weeks ago.

LINCOLN DEMANDS HALF GATE RECEIPTS

Capital City High Foot Ball Eleven Will Not Play for Fun of the Thing.

POST SEASON GAME TALK

Lincoln, Neb., Nov. 22.—(Special Telegram.)—Lincoln will not consider a post-season game to determine the championship of the state with the Omaha High school unless Coach Mulligan guarantees Lincoln half of the gate receipts. Mulligan in his challenge offered the Lincoln team \$150 to play there, but the authorities will not consider such a proposition.

Under any circumstances the Lincoln High school authorities will not take up the question of a post-season game until after the North Platte battle here next Saturday. Lincoln expects to win, but North Platte has a strong team and has made an impressive showing so far this season. "We expect to win, but a defeat by North Platte would make a post-season game with Omaha unnecessary," said Principal Newton.

The athlete authorities held a meeting this morning to consider the Mulligan challenge and mapped out the line of action.

"Providing Omaha refuses to meet us with a fair financial proposition, we are prepared to advance our claims to the championship on the basis of comparative score," said Mr. Newton. "Lincoln's record is better than Omaha, with a 20 to 3 defeat of Beatrice and a larger score against Sioux Falls. If we play at all Omaha must give us half the gate receipts." Another point appealing to Coach Reese is the players attitude, and he will sound them out on a post-season game.

A Sensation In Smokedom

THE MILLION DOLLAR WRAPPER

on the

ADMIRAL

LITTLE CIGARS

is creating a sensation among cigar smokers, cigarette smokers, little cigar smokers—all smokers.

Admiral Little Cigars are the latest discovery in smokedom—a smoke with a patented wrapper, COMPOSED ENTIRELY OF PURE TOBACCO, AND NOTHING BUT TOBACCO, enhancing the mild flavor and aroma of the filler. It will not break; it cannot break. Have you tried it?

THE AMERICAN TOBACCO COMPANY

In foil-lined packages. This is a sensation in Little Cigars.
